

# Hospitalist

## APP Workforce Insights

As health care organizations seek to improve access, quality, service, and affordability, developing a strategy to integrate, optimize and engage the growing advanced practice provider (APP) workforce across all specialties is essential. With the latest optimization and utilization benchmarking data, organizations can establish a comprehensive APP workforce strategy and prioritize critical areas of opportunity. Consider the following specialty-specific insights while evaluating your Hospitalist workforce.

### Work Expectations

Median Annual Hours **1,835**

Median wRVUs **2,005**
